## Compact, quiet Partners For your office

#### Robust, reliable, compact and quiet,

these multifunctional mono systems with low running costs are the ideal solution for small-medium workgroups.

A combination of modular architecture, compact dimensions and low noise levels makes for outstanding performance which guarantees the delivery of efficient, secure document output for small-medium offices and workgroups.

The systems' cutting-edge technology has been designed to care for the environment and reduce waste by using long-life components (drum life 150,000 pages), with the result that they are exceptionally reliable and cost-effective products that ensure environmental sustainability.

### MONOCHROME MULTIFUNCTIONAL DIGITAL SYSTEMS

## **d-COPIA** 1801MF / 2201MF 1801MF<sup>PLUS</sup>/ 2201MF<sup>PLUS</sup>

#### **EFFICIENT AND VERSATILE**

The new **d-Copia 1801MF**, **d-Copia 2201MF**, **d-Copia 1801MF**<sup>PLUS</sup> and d-Copia 2201MF<sup>PLUS</sup>

multifunctional series are designed to perform all the current business tasks coming up in busy offices. These devices can handle documents up to A3 format, achieve print and copy speeds of up to 18/22 A4 pages and 8/10 A3 pages per minute with an image resolution of 600 dpi and a greyscale of 256 shades, which ensures that your documents are always of impressive quality.

#### FLEXIBLE AND COMPLETE

The new multifunctional systems offer a wide range of intelligent functions such as scan once - copy many, rotation sort, margin movement, just to mention a few, making them even more productive. The **PLUS** models can be expanded with **optional network print and scan and with an optional fax unit** which can be useful additions when sharing the device in small teams or departments. Furthermore, the optional duplex unit for double-sided printing, helps to save resources and reduce paper costs.

#### **ID COPY FUNCTION**

The ID card copy function allows you to copy both sides of an original **ID card in one operation** on to a single sheet and the layout mode enables you to downsize two or four originals to make them fit on to one page; which saves paper.

Colour scanner via TWAIN protocol

Rapid first-copy time: 5.7 sec.

#### **PRINT BOX**

When many people share the device, the **standard print box functionality** enables users to temporarily store a print job. This prevents undesired mixing of printed documents. Furthermore, password protection can also be set.
